### **DISCLOSEABLE TRANSACTION DISPOSAL OF LAND USE RIGHTS AND RELATED FACILITIES**

#### **THE DISPOSAL**

On 18 November 2020, the Company entered into the Asset Transfer Agreement with the Purchaser, pursuant to which, the Company has conditionally agreed to sell and the Purchaser has conditionally agreed to purchase the Land Use Rights and the Related Facilities for a total consideration of RMB502,808,000.

#### **IMPLICATIONS UNDER THE LISTING RULES**

##### **Implications under the Hong Kong Listing Rules**

As one or more applicable percentage ratios (as defined under the Listing Rules) in respect of the Disposal exceed 5% but all are less than 25%, the Disposal constitutes a discloseable transaction of the Company and is subject to the reporting and announcement requirements but exempt from the Shareholders' approval requirement under Chapter 14 of the Hong Kong Listing Rules.

##### **Implications under the Shenzhen Listing Rules**

In accordance with the Shenzhen Listing Rules and the Articles of Association, the Disposal does not constitute a material asset reorganisation under the Administrative Measures for the Material Asset Reorganisations of Listed Companies, nor does it constitute a related party transaction. The Disposal is, however, subject to consideration and approval at the EGM.

#### **INTRODUCTION**

The Board announces that, on 18 November 2020, the Company entered into the Asset Transfer Agreement with the Purchaser, pursuant to which, the Company has conditionally agreed to sell and the Purchaser has conditionally agreed to purchase the Land Use Rights and the Related Facilities for a total consideration of RMB502,808,000.

## THE ASSET TRANSFER AGREEMENT

### Date

18 November 2020

### Parties

Seller: The Company

Purchaser: Shandong Shouguang Vegetable Wholesale Market Co., Ltd.\* (山東壽光蔬菜批發市場有限公司), a limited liability company incorporated in the PRC and a wholly-owned subsidiary of the Finance Bureau of Shouguang (壽光市財政局)

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, the Purchaser and its ultimate beneficial owners are Independent Third Parties.

### Assets to be Disposed of

Pursuant to the Asset Transfer Agreement, the Company has conditionally agreed to sell and the Purchaser has conditionally agreed to purchase the Land Use Rights and the Related Facilities.

The Land Use Rights represent the land use rights of the two parcels of lands as described below:

	<b>The first parcel of land</b>	<b>The second parcel of land</b>
<b>Location</b>	Shouguang Science and Technology Industrial Park* (壽光市科技工業園)	The east side of Xing Shang Road in Shouguang* (壽光市興尚路東側)
<b>Land number</b>	Shou Guo Yong (2005) No. 1027	Shou Guo Yong (2011) No. 0164
<b>Total site area</b>	297,321 sq.m	109,200 sq.m
<b>Land use</b>	Industrial	Industrial

The Related Facilities mainly consist of (1) buildings, which mainly include the office complex, dormitories, canteens, workshops and plants of steel pipe companies in the science and technology industrial park; (2) structures, which mainly include infrastructural projects, pipeline projects, road surfaces at plant area, boundary walls around plant area, sedimentation tanks, etc.; and (3) power facilities, etc.

The net book value of the Land Use Rights and the Related Facilities was RMB105.7550 million as at 30 September 2020.

### **Consideration and Payment Terms**

The total consideration for the Disposal shall be RMB502,808,000, which is payable by the Purchaser to the Company in the following manner:

1. RMB350 million shall be paid by the Purchaser to the Company by bank transfer by 31 December 2020;
2. RMB50 million shall be paid by the Purchaser to the Company by bank transfer by 5 February 2021;
3. RMB90 million shall be paid by the Purchaser to the Company by bank transfer by 31 March 2021; and
4. the remaining balance of RMB12.808 million shall be paid by the Purchaser to the Company by bank transfer upon completion of the relocation of the Company.

The consideration of the Disposal is negotiated on an arm's length basis and is on normal commercial terms and is determined with reference to the total appraised value of the Land Use Rights and the Related Facilities at approximately RMB502,808,000 as set out in an asset valuation report prepared by an independent valuer as at 30 September 2020, being the valuation benchmark date.

### **Conditions Precedent**

The Asset Transfer Agreement is conditional upon the satisfaction of all of the following conditions:

1. the Asset Transfer Agreement having been considered and approved by the internal authorities of the Purchaser;
2. the Asset Transfer Agreement having been considered and approved by the Board and at a general meeting of the Company;
3. the valuation report in respect of the Disposal having been filed with the state-owned assets supervision and administration department;

4. the Disposal having been considered and approved by the state-owned assets supervision and administration department; and
5. the Asset Transfer Agreement having been signed and sealed by the Company and the Purchaser.

As the Asset Transfer Agreement was executed by the Company and the Purchaser on 18 November 2020, the condition precedent 5 above has been satisfied.

#### **FINANCIAL EFFECT OF THE DISPOSAL**

The Group expects to record an estimated indicative gain from the Disposal of approximately RMB350 million, which is based on the total consideration to be received from the Disposal by the Group, less the net book value of the Land Use Rights and the Related Facilities as at 30 September 2020 and related expenses, tax and fees.

The actual gain amount is subject to review and confirmation by the auditors of the Company and may be different from the above amount as any relevant fees and expenses in connection with the Disposal will be taken into account.

#### **INTENDED USE OF PROCEEDS**

The Company intends to use the net proceeds from the Disposal as general working capital of the Company.

#### **REASONS FOR AND BENEFITS OF THE DISPOSAL**

The Disposal is to accommodate the urban plan of relocating from urban area to industrial zones and the Company's need for strategic development. With the intention of relocating and integrating the existing production plants of the Company, the Disposal would help the Company achieve intensive production management to further reduce production cost and also facilitate better asset structure and stronger market competitiveness of the Company, which is in line with the Company's overall development strategy.

The Board considers that the Disposal is entered into on normal commercial terms and the terms and conditions of which are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

## **INFORMATION ON THE PARTIES**

### **Information on the Group**

The Group is principally engaged in the design, production and sale of pumping units, sucker rods, oil pumps, tubing and casing, and the related machinery and accessories for oil drilling.

### **Information on the Purchaser**

The Purchaser is a limited liability company established in the PRC. Its shares are wholly owned by the Finance Bureau of Shouguang (壽光市財政局) which is also its ultimate beneficial owner. The Purchaser is principally engaged in the agricultural wholesale market and the development, leasing, sale and operation of the Related Facilities; the wholesale and retail sale of agricultural products and their goods; the establishment of agricultural wholesale market and the development, operation and management of logistic and distribution centres and ancillary properties, and agricultural logistic services; and the development of supporting businesses such as storage (exclusive of dangerous goods), conveying, loading and unloading, packaging, distribution and information consultation services.
